

CALLING ALL TROJANS!

2009 IS OUR 60TH ANNIVERSARY!

This year the T-28 Trojan will be prominently featured at AirVenture in Oshkosh July 27-Aug 2 in commemoration of the 60th anniversary of its first flight, with the Wednesday warbird show being devoted *exclusively* to the T-28. "Warbirds In Review" will feature a T-28D and former Raven, Jack Drummond, speaking about his experiences during 400+ Tango combat hours in southeast Asia for the USAF, RLA, Khmer and B Team strikes

There will be something for everyone, plus a few surprises. The celebration will only be complete if all of you T-28 drivers are there, so please reserve July 23 - August 2 to attend both the T-28 Formation Clinic AND AirVenture Oshkosh.
